ALTEK have always believed the need to use salt for optimum control and recovery in operating Tilt Type Rotary Furnaces. Rather than look at a salt free process, they have addressed the issues with the salt slag from the other angle by providing a cost effective local salt slag recycling solution.

### THE BENEFITS..

- On Site Processing
- Reduced Salt Slag Transportation Costs
- Improved Flexibility & Control
- Recovered Salts - Same Ratio & Particle Size
- Environmentally Friendly
- Multiple Model Sizes
- Salt Slag a Commodity not a Cost
- Very Quick ROI
